

# **BUENOS BANDIDOS**

## **International Film Production Company**

Buenos Bandidos Producción, S.L. is an independent film production company based in Barcelona, focused on international co-productions and development-driven cinema across Europe and Latin America.

The company develops and packages feature films and series with strong artistic identity and international market awareness.

## **Strategic Focus**

- International co-productions
- Development and packaging
- Cross-border storytelling
- Collaboration with writers, directors and financiers

The founders bring decades of experience from institutional theatre leadership and long-standing collaboration within the Finnish production collective Vegetarian Films.

## **Current Slate**

- Don Quijote de Barcelona – Feature Film (Development)
- Polvo de los Andes – Series (Development)
- Additional projects in development

We are seeking international co-production partners and are open to development partnerships and financing discussions. Selected projects are available for sales agents and international distributors.

# Founders

## **Juha Kukkonen – Producer / Writer / Actor**

Former Artistic Director & CEO of Ryhmäteatteri (Finland). Internationally active between Finland and Spain. Extensive experience in artistic leadership, production strategy and cross-border collaboration.

## **Jarmo Lampela – Producer / Writer / Director**

Award-winning filmmaker with extensive experience in feature films and television. Combines strong narrative authorship with international production expertise.
