Developing and producing high-quality films across Europe and Latin America.

Cannes Marché du Film / EFM Berlin / San Sebastián Industry

Company Overview

Buenos Bandidos Producción, S.L. is a Barcelona-based independent film production company focused on international co-productions and development-driven cinema.

We develop and package feature films and series with strong artistic identity and international market awareness, bridging Europe and Latin America through cross-border storytelling.

Strategic Focus

- International co-productions
- Development and packaging
- Financing and strategic partnerships
- Projects available for sales agents and distributors

The founders bring decades of experience from institutional theatre leadership and long-standing collaboration within the Finnish production collective Vegetarian Films.

Current Slate

- Don Quijote de Barcelona – Feature Film (Development)
 - Polvo de los Andes – Series (Development)
 - Additional feature films and series in active development
-
